

HAYLEYMEDIA EXHIBITIONS

28 July 2008

Dear Michelle,

Thank you very much for presenting two brilliant seminars in the 'Hot Topix' Seminar Programme held at the South Island Hospitality Show in June 2008.

With the show being in its opening year it was fantastic to have the support of industry professionals such as yourself and we truly appreciate the added value you brought to the show. Your seminars were well attended and attendees spoke very highly of your presentations and motivating seminar topics.

Your professionalism and outgoing personality made working with you an ease and a pleasure. We are delighted you have agreed to present again in 2009 and are looking forward to working with you to build and enhance the seminar element of the South Island Hospitality Show.

Thank you once again and we'll be in touch next year!

Kind regards,

Kelly Peters
